Failure of the District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements, or failure of the District to identify a deficiency from evidence that is provided, shall not be construed as a waiver of the successful Bidder's obligation to maintain such insurance.

The District shall have the right, but not the obligation, of prohibiting the successful Bidder from entering the District's premises until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by the District.

paralegals' fees, expert fees, and court costs), arising out of or resulting from such Bidder's activities, provided that any such claim, damage, loss or expense (i) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property, and (ii) is caused in whole or in part by any negligent or wrongful act or omission of such Bidder, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, except to the extent caused in part by a party indemnified hereunder. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Such Bidder shall similarly protect, indemnify and hold and save harmless the District, its officers, officials, employees, volunteers and agents against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees, incurred by reason of such Bidder's breach of any of its obligations under, or such Bidder's default as to, any provision of the agreement entered by the parties.

Section 7: Standard of Performance.

A. The Printer and its employees shall exercise reasonable skill, care and diligence in the performance of the Services required under this Agreement in accordance with customarily accepted good professional practice for their respective professions. Such performance shall be to the satisfaction of the District, and shall meet or exceed the quality and standards commonly accepted in the industry.

B. All services provided by the Printer shall be performed in a reasonably prompt manner. The Printer shall perform all duties and services and make all decisions called for hereunder promptly and without unreasonable delay, and shall give the required Services such priority in its office as is necessary to cause its services hereunder to be timely and properly performed. **TIME IS OF THE ESSENCE WITH RESPECT TO THE PRINTER'S PERFORMANCE OF THE SERVICES TO BE PROVIDED UNDER THIS AGREEMENT.**

C. If any errors, omissions or acts, intentional or negligent, are made by the Printer, in any phase of the Services, the correction of which requires additional Services, the Printer shall be required to perform such additional Services as may be necessary to remedy same without undue delay and without any cost to the District.

Section 8: Conflict of Interest.

The Printer covenants that it has no conflicting public or private interest and shall not acquire, directly or indirectly, any such interest which would conflict in any manner with the performance of its services under this Agreement.

Section 9: Confidentiality and Ownership of Documents.

A. The Printer agrees that all images and print data whether in electronic or paper format, which the Printer receives from the District or prepares for the District, are the property of the District. Except as otherwise required by law, including, but not limited to the Illinois Freedom of Information Act, the Printer shall maintain the confidentiality of all information that is designed by the District as confidential, and shall not disclose the content of its publication to any person other than its employees who require the information to perform their services under the agreement entered by the parties.

B. The documents and materials made or maintained by the Printer under this Agreement shall be and will remain the property of the District, and the District shall have the right to use same without restriction or limitation and without compensation to the Printer other than as provided for in this Agreement.

Section 10: Compliance with Laws.

A. The Printer shall comply with all applicable laws, regulations and rules promulgated by any Federal, State County, Municipal or other governmental unit or regulatory body which are now in effect or which may be in effect during the performance of the Services. Included with the scope of the laws, regulations and rules referred to in this paragraph, but in no way to operate as a limitation, are all forms of traffic regulations, public utility and Intrastate and Interstate Commerce Commission regulations, Workers Compensation Laws, Prevailing Wage Laws, the Social Security Act of the Federal Government and any of its titles, the Illinois Human Rights Act and regulations, EEOC statutory provisions and rules and regulations, OSHA statutory provisions and rules and regulations, and State and Federal EPA statutory provisions and rules and regulations.

B. The Printer shall not discriminate against any employee or applicant for employment because of race, creed, color, national origin, religion, sex, sexual orientation, ancestry, age, marital status, physical or mental handicap, or unfavorable discharge from military service. The Printer will take affirmative action to insure the applicants are employed, and that employees are treated during employment without regard to their race, creed, color, national origin, religion, sex, sexual orientation, ancestry, age, marital status, physical or mental handicap, or unfavorable discharge from military service. Such action will include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Printer agrees to post, in conspicuous places accessible to employees and applicants for employment, notices to be provided by the local public agency setting forth the provisions of this non-discrimination clause. The Printer will, in all solicitations or advertisements for employees placed by or on behalf of such Bidder, state that all qualified applicants will receive consideration for employment without regard to race, creed, color, national origin, religion, sex, sexual orientation, ancestry, age, marital status, physical or mental handicap or unfavorable discharge from military service.

C. The Printer shall hold all licenses, permits or special licenses to perform the Services required by this Agreement, as required by law, or shall employ or work under the general supervision of a holder of such licenses, permits or special licenses in good standing and in full force and effect at all times while the Printer is performing the Services.

Section 11: Modification or Amendment.

The parties may modify or amend terms of this Agreement only by a written document duly executed by both parties.

Section 12: Term of this Agreement.

The initial term of this Agreement shall be for one (1) year, commencing on the date this Agreement has been executed by District and the Printer, and shall remain in full force and effect through midnight at the end of the one (1) year period. At the expiration of the one (1) year term, this Agreement may be extended for three (3) years if such extension is desired by the District and the Printer; provided that such a renewal shall be subject to a prior appropriation by the District's Board of Park Commissioners.

In the event the District or the Printer are unable to extend the term of this Agreement under the same terms and conditions, either party may terminate this Agreement by written notice to the other party at least thirty (30) days prior to the expiration of the term of this Agreement. In that case, this Agreement will terminate at midnight at the end of its current term.

Section 13: Termination.

A. Except as set forth in this Agreement, either party shall have the right to terminate this Agreement for any cause or for no cause, upon thirty (30) days written notice to the other party; provided that in the event of the Printer's insolvency, bankruptcy or receivership, this Agreement shall be terminated immediately upon receipt of notice thereof.

B. District's right to terminate: The District may terminate the Services of the Printer, without prejudice to any other right and remedy, upon notice to the Printer that it has failed to provide the Services in a timely manner, failed to meet the Specifications set for in the Contract Documents, failed to make prompt payment of monies due for materials, workers or subcontractors, violated applicable laws and/or ordinances or regulations or otherwise violated the requirements of this Agreement.

C. Upon any termination of this Agreement, all data, work product, reports and documents produced under this Agreement and paid for by the District shall become the property of the District, and such documents shall be delivered to the District within fourteen (14) days of such termination. The District may arrange for completion of the Services by whatever method the District may deem expedient and, in such case, the Printer may not be entitled to receive any further payment, except as provided in Paragraph D of this Section.

D. Upon any termination of this Agreement, the District's liability to the Printer shall be limited to payment of the Printer's fees for Services which were satisfactorily performed, payment for any reimbursable expenses incurred, and payment for materials used up to the date of termination. Upon such termination, the District shall have no further obligation or liability for compensation of any expenses, fees or costs of the Printer hereunder.

Section 14: Printer as Independent Contractor.

The relationship of the Printer to the District is that of independent contractor, and nothing in this Agreement is intended or to be construed to create an agency, employment, or joint venture relationship, or any other relationship which could allow the District to exercise control or direction over the manner or method by which the Printer provide services hereunder. The Printer warrants that all personnel provided by it with respect to the Services shall be employees of the Printer. At all times during the course of performing services hereunder, the Printer's employees shall be and remain employees of the Printer and not employees of the District. The Printer, and not the District, shall be solely and exclusively responsible to pay wages; salaries; pensions; overtime, holiday, sick and vacation pay; federal and state withholding and unemployment taxes; FICA; Social Security; Medicare; health, accident and life insurance; or any other claim, obligation, demand, tax, benefit, wage or other payroll-related expense or penalty that may occur under local, state or federal law. The Printer shall defend, indemnify and hold the District harmless from any and all claims, demands, judgments and awards for such items and any other employment obligations for the Printer's employees provided by it with respect to the Services. The Printer shall also have the sole obligation to make or cause to be made payments which may be due under the Worker's Compensation Act (820 ILCS 305/1, et seq.), and to meet any and all other obligations which an employer may have under local, state and federal laws. The Printer expressly waives any right or claim it might have, including those set forth in the Worker's Compensation Act, and especially those set forth in 305/1(a)(4) thereof, to recover from the District any worker's compensation claims, attorneys' fees, expenses or other costs on account of any injury or worker's compensation claim made by any employee of the Printer providing services pursuant to this Agreement.

Section 15: Entire Agreement.

This Agreement, including all matters incorporated herein, contains the entire agreement between the parties, and supersedes any and all other prior or contemporaneous agreements, covenants, warranties, representations, promises, conditions, or understandings, whether oral or written, which are related to the Printer's Services other than those contained herein. In the event of any

conflict between the terms and conditions of this Agreement and terms and conditions found in any attachment hereto, the terms and conditions of this Agreement shall prevail.

Section 16: Assignment.

Neither the District nor the Printer shall assign or transfer any rights or obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld.

Section 17: Severability.

In the event that any provision of this Agreement is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the Agreement. The remainder of the Agreement shall be construed as if it did not contain the particular provision and shall continue in full force, effect and enforceability in accordance with its terms, to the fullest extent permitted by law.

Section 18: Governing Law.

This Agreement shall be governed by the laws of the State of Illinois as to interpretation, performance and enforcement. The forum for resolving any disputes concerning the parties' respective performance or failure to perform under this Agreement shall be the Circuit Court for the Eighteenth Judicial Circuit, DuPage County, Illinois.

Section 20: Failure to Enforce Breach Not a Waiver.

The parties agree that the waiver of or failure to enforce any breach of this Agreement by the other party shall not be construed or otherwise operate as a waiver of any future breach of this Agreement, and shall not bar or prevent the other party from enforcing this Agreement with respect to any other breach.

Section 21: Force Majeure.

Neither party shall be liable to the other for any delay or non-performance of their respective obligations under this Agreement if such delay or non-performance is caused by any contingency beyond their control, including but not limited to acts of God, war, civil unrest, walkouts, fires or natural disasters.

Section 22: Third Party Beneficiaries.

Nothing contained in this Agreement shall create a contractual relationship between the District or the Printer and any third party; however, it is understood and agreed that the District is an intended

third-party beneficiary of all contracts between the Printer and any other party related to the services to be provided by the Printer hereunder.

IN WITNESS THEREOF, the parties set their hands and seals as of the date first written above.
