Lisle, IL – On Saturday, March 4, share your love of reading and help us celebrate the 20th anniversary of the National Education Association's Read Across America during a special story time with beloved local author, Nancy Gee!

The National Education Association (NEA) is building a nation of readers through its signature program, NEA's Read Across America, by motivating children to read through events, partnerships and reading resources. This free event will be held from 10:30-11:30am on Saturday, March 4, in the Beaubien Tavern at the Museums at Lisle Station Park, 921 School Street in Lisle. Registration is not required. Also, free parking is available in the lot on the museum campus in front of the Beaubien Tavern, at the Lisle Village Hall, and in the Lisle Metra train commuter parking lots.

A frequent guest presenter at the Museums at Lisle Station Park, author Nancy Gee will be reading about the adventures of flying squirrels, Al and Sal, and their friends during story time suggested for an audience of children in preschool through 5th grade. Nancy's journey into writing started not long after an unknown animal got into her sock drawer, only to be discovered by the family cat. Her grandsons loved having her tell and retell that story and challenged her to write a book. When she published her first book, 'The Secret Drawer,' she knew it was the beginning of a new chapter in her life. The 'Secret Book' series is based on true events in her life and has found success in the United States and internationally.

Daily admission to the museum is free, and tours are available by appointment. Curator hours at the Museums at Lisle Station Park are Tuesdays and Saturdays from 10:00am-1:00pm. Call 630-968-0499 or visit LisleParkDistrict.org/museumsatlislestationpark for more information about the museum, exhibits, programs, birthday parties, and rental opportunities.
