Lisle, IL – Under the strict guidelines from the State of Illinois, River Bend Golf Club is officially open for the season, and as the state moves into Phase 3 of the Restore Illinois plan, game play will change again.

After the COVID-19 safety guidelines pushed back River Bend Golf Club's (5900 S. Rt. 53, Lisle) typical opening date and cancelled their Spring Opener, new guidelines provided by the Illinois Department of Commerce and Economic Opportunity permits golf while ensuring social distancing is followed.

Currently open daily, the 9-hole golf course is taking reservations online and by phone. As of May, 29, players grouped in foursomes or less are able to make reservations for play, with a limited number of golf carts available (which will be cleaned regularly) on a first come first serve basis. Beginning June 1, tee times will be spaced to 10 minutes apart. Restrictions are being followed, including golfers bringing their own supply of balls, tees, ball markers, and any other equipment necessary; golfers should pick up their own ball and handle their own scorecard; leave the flag in place while putting, among others. All restrictions can be seen online at riverbendgolfclub.org.

Following the opening, River Bend received a glowing review, noting the new safety guidelines, "Staff was helpful in answering our questions [regarding] wearing masks, carrying bags, etc. The holes were filled with foam so no contact with the golf hole after putting." The course is also happy to report that customers are respectful of the new rules, noted in the review, "notices that most of the golfers were abiding by 'social distancing' rules and plenty of notices posted throughout the golf course."

For more information, questions or to schedule your tee time, visit riverbendgolfclub.org or call (630) 968-1920 opt. 1. The course is open 6am-6pm (6am-6:30pm beginning June 1) daily. Please arrive 10 minutes early for your tee time and follow the player guidelines listed on our website.
