Lisle, IL – Did you know that there are affordable family-focused excursions all around you? The Museums at Lisle Station Park invite children on a quest this summer to find fun facts, mysterious stories, and unbelievable history. The annual “Passport to Adventure Program” is your ticket to the many amazing and exciting activities that local museums in the Kane and DuPage Counties provide to enrich our lives and communities. Plus, many of the sites, including the Museums at Lisle Station Park, are FREE to visit!

Children can explore all the wonders that local museums have to offer including art, history, science, games, and nature. Many sites have designed special activities for children who participate in the program. At each location, your child can receive a stamp in their passport booklet. Fill your passport with as many stamps as you can!

The Passport to Adventure Program is designed for children between the ages of 4 and 12 and is sponsored by the Kane-DuPage Regional Museum Association. The program runs through Labor Day, Monday, September 1. Passports can be picked up at any one of the 50 local museums or libraries that are participating in the program. Keep your passport as a reference guide for fun places to visit throughout the year. For more information, please contact the Museums at Lisle Station Park at 630-968-0499 or visit the Kane-DuPage Regional Museum website at kdrma.org.
