Lisle, IL – With the uncertainty brought about by the current pandemic, Lisle Park District will be publishing their Autumn 2020 program guide online only.

We are working hard to offer services that best reflect the most current safety and government mandates. Due to the unpredictable nature of the COVID crisis and the need to provide accurate information to our community, our seasonal program guide will only be available online for Autumn. This way, we can keep you informed and reduce the potential for any outdated, changing information.

Unlike our typical routine, printed copies will not be mailed to Lisle Park District residents. To see all our fall programming beginning August 1st, residents can visit lisleparkdistrict.org/registration. Resident registration begins August 3, and nonresidents can begin registering on August 17. We will be updating the guide whenever changes occur. You can register on our website, or by calling 630-964-3410. We appreciate your understanding and support during this unprecedented time.
