Lisle, IL – When old man winter gives us a brief relief, be sure to get out to Lisle Park District’s recently completed Leask Lane Park to discover the fun of Biba games!

Taking advantage of the video game rewards that kids have come to love, Biba transforms playgrounds into ‘smart’ play structures where the fun always changes, and all you need is the touchscreen device found in your pocket or purse. Biba games are played with augmented reality markers that are installed on the playground equipment at Leask Lane Park. These markers unlock new content, activate mini-games and reveal treasures when scanned. No special equipment is required. Just download the free Biba app, available on both iTunes and Google Play, and go! Biba games are specifically created for parents to play with children aged three to nine. More than 1,000 Biba playgrounds are already active in cities across North America, with many more to come in 2018. To learn more about Biba games, visit bibaventures.com.

Leask Lane Park is located adjacent to the new Ashton Place housing development near the corner of Warrenville Road and Leask Lane in the Greater Lisle community. The park was fully designed and constructed at a minimal cost to the Lisle Park District through a creative partnership with the developer of the Ashton Place subdivision, Oak Creek Capital Partners – Ashton Place Series. Park amenities include a playground, picnic shelter, drinking fountain, loop trail, small parking lot, and a large green space for spontaneous play.

The Lisle Park District provides a variety of leisure activities for people of all ages throughout the year. Park district facilities include Lisle Community Park; the Recreation Center which houses Gentle Learning Preschool, SEASPAR, the Senior Center, and multipurpose rooms; Sea Lion Aquatic Park; River Bend Golf Course; Wheatstack – A Midwestern Eatery & Tap and numerous neighborhood playgrounds and parks offering amenities such as tennis courts, ball fields, walking paths and picnic areas totaling close to 400 acres. It is the mission of the Lisle Park District to enrich the quality of life for people of all ages by providing constructive and creative leisure opportunities. For more information about the Lisle Park District, please call 630-964-3410 or visit lisleparkdistrict.org.
