## GREETINGS FROM THE DIRECTOR

We have had a busy summer and look forward to maintaining that momentum right into the Autumn months. The most notable ongoing project has been our Indoor Recreation Space Feasibility Study. This has been reported in previous program guides, on social media, our annual newsletter, through email and elsewhere so hopefully this is not news to you. Our consulting group, PROS Consulting, has concluded the public engagement portion of the study and will be making a presentation to the Board of Park Commissioners at their regular meeting of August 21. Here we will learn the outcome of the public process and the community's preferences as they relate to indoor recreation. If you have not already participated in the online survey or your household was not one selected at random to participate in the statistically valid survey, you still have time to let your thoughts be known via an online survey that can be accessed from our project specific website until August 18 at [bit.ly/lisleparksfeasibilitystudy](http://bit.ly/lisleparksfeasibilitystudy).

As you may already know, we switched gears again with the restaurant at River Bend Golf Club earlier this summer. In the 20+ year history of restaurant operations at our park district, we have had four different iterations of a full-service operation and unfortunately all four have failed in one way or another. As a result, and to limit our financial risk, we have downsized the food operation significantly to focus primarily on our golfing patrons. Of course we welcome others who are looking to socialize with friends, watch sporting events on one of the several TVs, or just stop in to enjoy the beautiful views of the golf course. The dining room remains available to rent for private events like bridal and baby showers, religious celebrations, graduation and retirement parties, funeral luncheons, class reunions and more, so consider River Bend Clubhouse as a host site for life's important milestones. For a quick peek into the new operation, visit [riverbendgolfclub.org](http://riverbendgolfclub.org).

Looking ahead at programs and events, you will notice the autumn months are full of exciting and engaging opportunities for all ages. We have six different computer/gaming program and design classes in our "Teens" section. But don't let "Teens" fool you as several options are open to ages 7-13 and 11-16. Our collaborative event with the Lisle Heritage Society, Depot Days, is scheduled for September 20 and 21 at The Museums at Lisle Station Park and is always a great way for adults and children alike to learn the ways of our forefathers through interesting exhibits and interactive demonstrations. We continue to expand our nature programming through cooperative efforts with the Downers Grove Park District and are offering 18 NEW nature programs! 2025 will be the second year of our new winter events including Peppermint Path, Winter Wonderment, and Santa Express. In fact, we are offering three time slots for Santa Express to help accommodate the overwhelming demand from last year, so be sure to reserve your spot early!

We remain dedicated to our mission of "Be community focused" as we continue to evolve services, programs and events, especially, as we work with you to determine next steps regarding indoor programming space. As always, we truly appreciate your trust and confidence and look forward to continuing this great work together.

Wishing you a happy, healthy and active autumn,

## 2025-2026 PRESCHOOL CLASSES

📍 Gentle Learning Preschool | 1925 Ohio Street, Lisle

JJ

Gentle Learning Preschool's classrooms provide a variety of high-interest centers to encourage young students to learn while playing! Much of a young child's knowledge comes from interaction with the surrounding world, direct experience with real objects, and talking about experiences and ideas. We weave Kindergarten Readiness skills into our daily activities. Arts and crafts introduce little learners to the concepts of color, shape, and space. Science is explored through hands-on experiments, mixing, and cooking. Play in the sensory table exposes our students to different textures as well as measuring and volume. Math is developed through sorting, counting songs, comparing, and patterning. The development of fine motor muscles necessary for writing happens while manipulating play dough and building with table toys and blocks. Self-expression is encouraged throughout our room but is especially fun in our dramatic play areas. Our kiddos run, climb, pedal, jump, and slide daily on our playground or in the motor room on cold or rainy days to allow for gross motor development.

**REQUIREMENTS:** Children must be 3 or 4 years old by Sept. 1, 2025 in order to enroll. We strongly encourage children to be potty-trained before entering our preschool program.

**CLASS & TEACHER PLACEMENT:** Your child's specific teacher will be assigned in late July before the school year begins. Parents will receive this information via email.

**REGISTRATION:** See page 34 for details

## CLUB THEMES

Each afternoon following preschool class, we will immerse ourselves in one of our club themes: Book Club, STEM Learning Club, Art with Anything, Kids in the Kitchen, and Fun & Games. Each club description is below. Club theme days will rotate each week so that children who don't stay everyday can participate in a variety of activities.

### GENTLE LEARNING BOOK CLUB

Book clubs aren't just for grownups! We've thoughtfully selected wonderful preschool stories (new and classics) to read and discuss each afternoon. Then, we will create something special together.

### STEM LEARNING CLUB

S is for Science, T is for Technology, E is for Engineering and M is for math. Our teachers will weave carefully planned activities into these afternoons that will foster a love of discovery, building, problem solving, critical thinking, observing and science!

### KIDS IN THE KITCHEN\*

There is nothing more fun than helping children discover a love of cooking. Your preschooler will learn to safely chop, roll, grate, pat, mix, and spread. We will experience cooking using all 5 senses (especially taste) as we enjoy food that we make together. Our little chefs will even bring home the recipes from each day to recreate at home! **\*Please make us aware of any food allergies ahead of time so that we can modify accordingly**

### ART WITH ANYTHING

Each art afternoon we will make projects using everyday objects! Little artists will explore the process of creating unique art in compelling and creative ways! We'll use "out of the ordinary" art methods like spinning, blowing, smooshing, tapping, and brushing. Our materials will be varied as well to include buttons, cardboard, hole punches, tape, and glue, magnets, spatulas, bike tires, bubble wrap and more! Please note that there are not assigned projects per date. We want to keep our imaginations open to creativity and children's interests each week!

### FUN & GAMES

It really IS all Fun and Games in preschool. These afternoons will be full of movement and thinking. We'll do lots of big body movement games as well as learn some brand new board games.

If you're seeking more competition without the time and commitment of a travel soccer program, consider joining the Classic Soccer League. The Classic Soccer League is a step up from traditional park district leagues and it's geared toward players who want a bit more structure and competition. However, while it is a competitive league, the league's primary objective is to provide a fun, safe, competitive environment for young players to learn.

### GAMES

- Some games may be played outside of Lisle or after hours on weekdays.
- Teams will generally be placed in brackets in their own age group or age range.
- Game formats and rules are age-group specific. For example, a kindergartener will play by less complex rules and with fewer players on a smaller field than a 6<sup>th</sup> grader
- 7-9 week season concludes with playoff & championship format at each division.

### PRACTICES

Classic Soccer League teams practice at least once per week throughout the season and are led by volunteer coaches. The exact weekday and start time of practices is dependent on the availability of the volunteer coach.

## A BEAUTIFUL NOISE

📍 **Depart/Return:** Lisle Senior Center, 1925 Ohio St., Lisle  
📍 **Location:** Cadillac Palace Theater

DB

Created in collaboration with Neil Diamond himself, A BEAUTIFUL NOISE is the uplifting true story of how a kid from Brooklyn became a chart-busting, show-stopping American rock icon. With 120 million albums sold, a catalogue of classics like "America," "Forever in Blue Jeans," and "Sweet Caroline," an induction into the Songwriters and Rock and Roll Halls of Fame, a Grammy Lifetime Achievement Award, and sold-out concerts around the world that made him bigger than Elvis, Neil Diamond's story was made to shine on Broadway—and head out on the road across America. Like Jersey Boys and Beautiful: The Carole King Musical before it, A Beautiful Noise is an inspiring, exhilarating, energy-filled musical memoir, that tells the untold true story of how America's greatest hitmaker became a star, set to the songs that defined his career. Our seats are in the balcony, right center, Rows E-G. The run time of the show is 2 hours and 15 minutes. A light snack and water will be provided on the ride home, you may feel free to bring an additional non-dairy snack or beverage.

# GUIDELINES & POLICIES

## NOTICE OF CHANGES IN PROGRAM GUIDE

The Park District staff has made every effort to prepare this program guide as accurately as possible. The policies, procedures, requirements, programs, fees, and facility availability contained in this program guide represent the Park District's programs and policies at the time of publication. Sometimes circumstances may require changes be made (including fees, locations, times, etc.) after the program guide publication, but prior to program commencement or facility operation.

In order to provide the best services, programs, and facilities to the public, the Park District reserves the right to add, change, modify, or delete any programs and policies after they have been published or when enrollments warrant. The Park District will make a reasonable effort to give prompt public notice of any material changes in the programs and policies, but such notice cannot be assured. We apologize for any inconvenience these adjustments may cause. Your understanding and cooperation are appreciated.

## REGISTER BY DATES HOW TO AVOID LATE FEES

## PROOF OF RESIDENCY

A Lisle Park District resident applies to those persons residing within the boundaries of the Lisle Park District, as well as immediate family members living within that household. The fees listed in this brochure are for Lisle Park District Residents (R) and Nonresidents (NR).

You MUST show proof of residency with a photo ID along with a tax bill, lease or utility bill in-person at:

Lisle Recreation Center Front Desk  
1925 Ohio Street, Lisle

## NON-SUFFICIENT FUNDS

There will be a \$25 service charge assessed for all electronic funds transfer (EFT) and checks returned for non-sufficient funds.

## PROGRAM CANCELLATION & REFUNDS

The Park District reserves the right to cancel, postpone or combine classes, or change instructors. Programs that do not reach the minimum enrollment numbers will be cancelled. Cancellation of programs is made three days prior to the program start date, whenever possible. In the event that the Park District cancels a program, the participant will receive a full refund. If a program is cancelled in mid-session, a prorated refund will be issued.

No refunds will be made once a program has begun unless the Park District has altered or cancelled a program, or if the "Satisfaction Guaranteed" policy is implemented. If you need to drop-out of a program there will be a service fee of \$5 to cover the cost of processing a refund. The Park District must be notified of cancellation by the register by (Reg. By) date for that program. Cancellations made after the register by (Reg. By) date are subject to a \$5 service fee, plus any costs incurred by the park district. Cancellations made with less than a 24-hour notice will not be able to receive a refund.

## SATISFACTION GUARANTEED

The Lisle Park District is committed to providing the best quality programs to our participants. If you are not completely satisfied with the program after the first class, just give us a call. We will send you a "Dissatisfied Refund Form" to be filled out and returned, and after review, we can either provide you a credit that can be applied to another program, or issue you a full refund. It is that easy. Satisfaction Guarantee does not apply to trips and special events.

Why are we doing this? We want all of our participants to get their money's worth from our programming. We are convinced that what we offer is of the highest quality, and we back that with a guarantee. Your comments and suggestions are valued.

## WAIVER OF LIABILITY

For a complete list of guidelines, visit:  
[lisleparkdistrict.org/policies](http://lisleparkdistrict.org/policies)

[SEE PAGE 65](#) ►

## INSURANCE

The Lisle Park District does not carry medical, accident, or loss of personal property insurance for program participants, as the cost would make the program fees prohibitive. Please review your own personal health insurance plan to be certain that you and your family have proper coverage.
